TECHNICAL SPECIFICATION

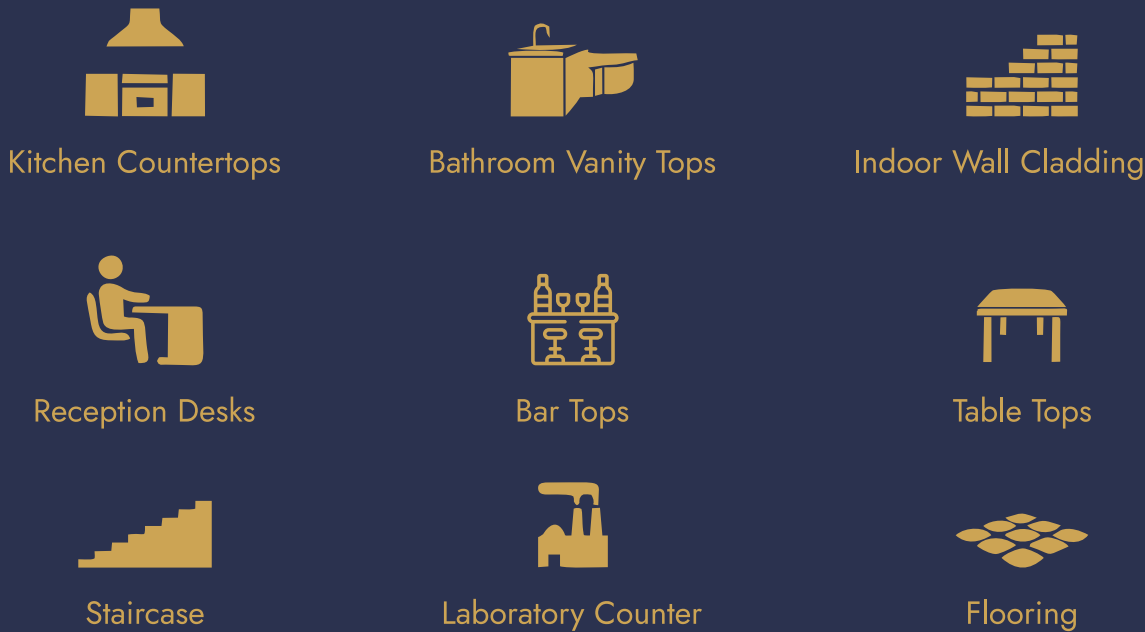

TEST NAME	RESULTS
Water Absorption	0.01%
MOH's Hardness	7
Compressive Strength	25875 psi
Thermal Shock resistance Passes	10 cycle
Flexure Strength	9126 Psi
Moisture absorption	No moisture found
Abrasion Resistance	190 mm^3
Density	2.6cm^3
Cigarette Test	unaffected
Coefficient of friction (Dry)	0.8
Coefficient of friction (Wet)	0.6
Stain Resistance	unaffected
Wear Resistance	unaffected
Thermal expansion	1.1 X10^(-5) inch/f
Chemical Resistance	unaffected
Deicing Test	unaffected
Freeze Thaw Resistance	Pass No crack observe
Surface Burning Characteristics	Class A -1 Rating
Dimensional Stability	Pass
Visual Appearance	Pass

AVAILABLE EDGES

VERSATILE OF APPLICATION

Add a dash of elegance to your everyday routine with Advantis Quartz.

Our Quartz surfaces are resistant to stains and scratches, making it an ideal choice for countertops and other surfaces. It's Anti-Bacterial property helps in maintaining proper hygiene in and around your home. Unlike natural stones, it is color consistent and requires very little maintenance, so the elegance you adore today will last a lifetime.

Disclaimer: Surface designs are photographic and therefore indicative only.
Actual Slab colors may vary slightly.
